Additional information to the 9. International German Open F3K

Time schedule

The flown tasks are according to the current rules "class F3K – status 2008" of the German National Aeroclub (DAeC). There will also be some local rules of the organizer, e.g. safety areas, flying areas. The rules can be found at the homepage of the organizer. The local rules will be announced at the briefing prior to the competition. The flying tasks will be published beginning of June 2008, please see the homepage of the organizer. The tasks and the order of tasks will be announced during the briefing and if necessary before each round and the Fly-Off rounds.

It is planned to fly min. 10 preliminary rounds (due to the weather conditions) with all competitors.

The best 12 competitors of the overall ranking, as well as the best 6 of juniors (A) and juniors (B) ranking will be qualified for the Fly-Off with max. 3 separate rounds.

The number of juniors (A + B) will be related to the total number of juniors (A+ B) participating the competition and will be announced before the start of the competition.

Modus operandi for results of the Fly-Off. All results of the preliminary rounds will be set to zero.

Only the Fly-Off result will be used for the ranking of the International German Champion and the International German Juniors Champion (A+ B). The ranking of all other competitors will be the results of the preliminary rounds.

FYI: this competition is also part of the CONTEST Eurotour F3K 2008
